“Supercracks Rookie”

(late youngster, 7 old feathers)

**** Son “Jonge Supercrack” x “Schoon Donker 83” ****

“Jonge Supercrack” is Ludo’s best breeder

“Schoon Donker 83” is the mother of “Jonge Supercrack”!

“JONGE SUPERCRAK” WAS PAIRED TO HIS OWN MOTHER!

**** Halfbrother to “Super Vedette” ****

(“Super Vedette” won 1st NPO Orleans against 9.096 b with 3’ ahead!)

**** Halfbrother to “Super Witpen” ****

(“Super Witpen” won 3rd Nat. NPO Orleans 9.096 b)

**** Halfbrother to “Super Blauw 03” ****

(“Super Blauw 03” won 2nd Nat. NPO Orleans 8.322 b)

Father is NL03-0375941 “Jonge Supercrack”

For many, many years “Late Donkere” (born in 1993) and “Supercrack 69” (born in 1994) were Ludo’s best and most known breeders. They both are responsible for unbelievable results in the races since 1995. But years passed by and Ludo had to find valuable successors for them. He had the luck (or knowledge) that “Favoriet 65” NL01-0179465 followed in the track of his father “Late Donkere” and that “Jonge Supercrack” NL03-0375941 carries on the invincible Supercrack-line...

A short acquaintance with his race and breeding results:

1 st	Prov. RI Orleans ‘04	2.672 b
1 st	Prov. RI Orleans ‘03	1.853 b

Till 2006 “Jonge Supercrack” won 32 prizes in 32 races, 13 x 1:100, 24 x 1: 25 and 27 x 1: 10 !!!!!

During three years (2004, 2005 and 2006) just two youngsters from “Jonge Supercrack” were bred (each year with another hen) that could participate in the races. The results of his children and grandchildren were enormous. That’s why he moved to the breeding loft from 2007. Best Orleans-results of his children:

1 st	Nat NPO Orleans ‘07	9.096 b
2 nd	Nat NPO Orleans ‘06	8.322 b
3 rd	Nat NPO Orleans ‘07	9.096 b
5 th	Prov. RI Orleans ‘04	1.787 b

As already told “Jonge Supercrack” is Ludo’s best breeder at this moment:
